The attached is a 57-page report on the Afro-Asian Conference held at Bandung, Indonesia from 18 to 24 April 1955. The report offers the usual details such as Conference aims, agenda, delegates and the like, but in addition to this type of material the report contains a running commentary on the activities in the Political Committee including several hitherto unpublicized exchanges between Political Committee members such as CHOU En-lai and Mohammed Ali. Although Conference events have been overtaken by more recent occurrences it is believed that this report, with its meticulous attention to detail and its first-hand observations on Conference proceedings, is of considerable value.
